Level 2, The Town Level, dramatically increases the challenges in vocabulary and writing from Level 1. Caesar's English I is a large step up from Building Language, with many more stems and much more text. Children progress from learning about the construction of sentences in Sentence Island to learning about the various types of paragraphs in Paragraph Town.

Babbling is a stage in child development and a state in language acquisition during which an infant appears to be experimenting with uttering articulate sounds, but does not yet produce any recognizable words. Babbling begins shortly after birth and progresses through several stages as the infant's repertoire of sounds expands and vocalizations become more speech-like.

Speech-language pathologists play a key role in diagnosing and enhancing children's social communication development (ASHA, 2004). Social skills are behaviors that need to be taught, acquired, and then practiced until the skill is exhibited fluently by a student in the appropriate setting (Lane et al., 2005).
