

built to last successful pdf

Built to Last Page 5 Shattered Myths • It takes a great idea to start a great company • Few started with a great idea; the company was the creation • Visionary companies require great and charismatic leaders • Not required and can be detrimental to the companies long term prospects • Most successful companies exist first and foremost to maximize profits

• Built to Last • Successful habits of Visionary Companies

In a world of constant change, the fundamentals are more important than ever In this era of dramatic change, we're hit from all sides with lopsided perspectives that urge us to hold nothing sacred, to re-engineer and dynamite everything, to fight chaos with chaos, to battle a crazy world with total, unfettered craziness.

Jim Collins - Articles - Building Companies to Last

BUILT TO LAST Coauthored with Jerry Porras and based on their research project at the Stanford Graduate School of Business, this book investigates the question, Why are some companies able to become and remain visionary through multiple generations of leaders, across decades, and even centuries?

Iran's automotive industry is the third most active industry of the country, after its oil and gas industry, accounting for 10% of Iran's GDP and 4% of the workforce (700,000 person).. Iran developed a significant automotive industry with annual production of up to 200,000 units under the Mohammad Reza Shah Pahlavi's regime. But after the Iranian Revolution of 1979 production drastically ...
