BEGINNER'S GUIDE FOR LINUX - Start Learning Linux in Minutes
1. Why this guide? Many people still believe that learning Linux is difficult, or that only experts can understand how a Linux system works. Though there is a lot of free documentation available, the documentation is widely scattered on the Web, and often confusing, since it is usually oriented toward experienced UNIX or Linux users. Today,

Introduction to Linux - Linux Documentation Project
No Starch Press is a publishing house specializing in technical literature focused on geek, hacker, and DIY subcultures.
