There are some basic rules and concepts to remember when you are negotiating. I will describe these rules and concepts so that you can get a clear idea of what negotiating is and what things you need to be aware of.

The Basic Rules and Concepts of Negotiation

Definition of Business Communication. Business Communication means the materialization (e.g. paper, screen views) of quantitative information for analytical and reporting objectives. We organize business communication into products (e.g. reports, presentations, statistics, analytic applications), consisting of one or more pages (e.g. PowerPoint slides, screens) comprised of objects (e.g. ...

Basic Networking Tutorial - a network is any collection of independent computers that communicate with one another over a shared network medium. A computer network is a collection of two or more connected computers. When these computers are joined in a network, people can share files and peripherals such as modems, printers, tape backup drives, or CD-ROM drives.
