A cadet is a trainee. The term is frequently used to refer to those training to become an officer in the military, often a person who is a junior trainee. Its meaning may vary between countries. The term is also used in civilian contexts and as a general attributive, for example in its original sense of a branch of a ruling house which is not currently in the direct line of succession.

As you can see from the top photo, the only hitch is that youâ€™ll have to look at your vertical photos sideways. If this bothers you, you can find more sophisticated options for printing a contact sheet in Photoshop or Lightroom or other photo organization software. But the Windows option is handy when you donâ€™t want to go to the trouble of opening up a whole other software program.
