

chicago korean americans identity pdf

Americans are nationals and citizens of the United States of America. Although nationals and citizens make up the majority of Americans, some dual citizens, expatriates, and permanent residents, may also claim American nationality. The United States is home to people of many different ethnic origins. As a result, American culture and law does not equate nationality with race or ethnicity, but ...

The demographics of Filipino Americans describe a heterogeneous group of people in the United States who trace their ancestry to the Philippines. As of the 2010 Census, there were 3.4 million Filipino Americans, including Multiracial Americans who were part Filipino, with the United States Department of State in 2011 estimating the population at 4 million.
