Previously, tourists in Colorado were restricted to purchasing 7 grams or less, while Colorado residents could purchase up to 28 grams. This law changed in June 2016, and now both tourists and residents can purchase 28 grams in a single transaction.. This law has some grey areas, such as what is a “single transaction”™, so most recreational stores err on the side of caution and will only ...

In the United States, the exclusionary rule is a legal rule, based on constitutional law. The rule prevents evidence collected or analyzed in violation of the defendant's constitutional rights from being used in a court of law. This may be considered an example of a prophylactic rule formulated by the judiciary in order to protect a constitutional right.
