Thomas Paine Common Sense [1776] Introduction. Perhaps the sentiments contained in the following pages, are not yet sufficiently fashionable to procure them general favor; a long habit of not thinking a thing wrong, gives it a superficial appearance of being right, and raises at first a formidable outcry in defence of custom. But tumult soon subsides.

In law, common law (also known as judicial precedent or judge-made law, or case law) is that body of law derived from judicial decisions of courts and similar tribunals. The defining characteristic of "common law" is that it arises as precedent. In cases where the parties disagree on what the law is, a common law court looks to past precedential decisions of relevant courts, and ...

Progress is the idea that advances in technology, science, and social organization can produce an improvement in the human condition, and therefore that entire societies, and humanity in general, can improve in terms of their social, political, and economic structures. This may happen as a result of direct human action, as in social enterprise or through activism, or as a natural part of ...
