## **community benefits and repositioning pdf**

The United Nations defines community development as "a process where community members come together to take collective action and generate solutions to common problems." It is a broad term given to the practices of civic leaders, activists, involved citizens and professionals to improve various aspects of communities, typically aiming to build stronger and more resilient local communities.

Rebranding is a marketing strategy in which a new name, term, symbol, design, or combination thereof is created for an established brand with the intention of developing a new, differentiated identity in the minds of consumers, investors, competitors, and other stakeholders. Often, this involves radical changes to a brand's logo, name, legal names, image, marketing strategy, and advertising ...
