

contemporary sport marketing global pdf

Sports marketing is a subdivision of marketing which focuses both on the promotion of sports events and teams as well as the promotion of other products and services through sporting events and sports teams. It is a service in which the element promoted can be a physical product or a brand name. The goal is to provide the client with strategies to promote sports or to promote some other ...

Abstract. This paper employs concepts drawn from a five-phase model of globalization adapted from the work of Maguire et al. in 2002, which aids in developing an understanding of the global phenomenon of professional baseball. It reports that the five flows of globalization, namely, migrant dimension, technology dimension, economic dimension, media dimension, and ideological dimension are ...

The Global Flows of International Professional Baseball

The precise definition of what separates a sport from other leisure activities varies between sources. The closest to an international agreement on a definition is provided by SportAccord, which is the association for all the largest international sports federations (including association football, athletics, cycling, tennis, equestrian sports, and more), and is therefore the de facto ...
