NEET 2019 SYLLABUS – The NEET 2019 will be conducted by National Test Agency (NTA) from the following year i.e 2019. The syllabus will be released under the guidelines of the agency and its authorities. The syllabus will be released online so the candidates are requested to keep themselves updated through the official website or the link which will be provided further below.

NEET 2019 Syllabus for Physics, Chemistry, Biology

An adult human male (left) and female (right) from the Akha tribe in Northern Thailand.

Human - Wikipedia

Skin color is one of the most conspicuous ways in which humans vary and has been widely used to define human races. Here we present new evidence indicating that variations in skin color are adaptive, and are related to the regulation of ultraviolet (UV) radiation penetration in the integument and its direct and indirect effects on fitness.

In biology, tissue is a cellular organizational level between cells and a complete organ. A tissue is an ensemble of similar cells and their extracellular matrix from the same origin that together carry out a specific function. Organs are then formed by the functional grouping together of multiple tissues. The English word is derived from the French tissu, meaning something that is woven, from ...

Tissue (biology) - Wikipedia

A network of disorders and disease genes linked by known disorder – gene associations offers a platform to explore in a single graph-theoretic framework all known phenotype and disease gene associations, indicating the common genetic origin of many diseases. Genes associated with similar disorders show both higher likelihood of physical interactions between their products and higher expression ...
