With such a large abundance of different ice types, ice maker manufacturers, applications and models, it is important to know the basics, so you can choose an ice maker that will best meet your needs.. Commercial units are most commonly used in bars, restaurants, hospitals, supermarkets and convenient stores.

Ice Makers: A Basic Overview :: CompactAppliance.com

A brainteaser is a type of riddle that makes one think outside the box. Some brainteasers are easy, some are a little harder, and some can really make you ponder for a while. Often, when you finally hear the answer, you feel ignorant or silly, because it should have been obvious to you.
