Chapter 2 deals with the importance of school leaders being reflective and well-read about today's leadership issues, such as understanding accountability and standards for 21st-century school principals, and being up-to-date and aware of a principal's key role in instructional leadership.

ERIC - The Instructional Leadership Toolbox: A Handbook

Instructional leadership is a critical aspect of school leadership. The work of instructional leaders is to ensure that every student receives the highest quality instruction each day. Doing so requires that instructional leaders lead for the improvement of the quality of teaching and for the improvement of student learning.
