Mergers and acquisitions (M&A) are transactions in which the ownership of companies, other business organizations, or their operating units are transferred or consolidated with other entities. As an aspect of strategic management, M&A can allow enterprises to grow or downsize, and change the nature of their business or competitive position.. From a legal point of view, a merger is a legal ...

Introduction. The gut absorbs dietary nutrients while routinely coping with threats from plant secondary metabolites and commensal microbiome-produced bioactive compounds (Wikoff et al., 2009, Bennett and Wallsgrave, 1994, Martinez et al., 2017). Animals have evolved multiple mechanisms of defense against these enteric toxins.
