New national curriculum: primary assessment and

This assessment tests all aspects of the Year 1 maths curriculum to establish whether children have developed a full understanding of the Year 1 curriculum and to establish areas of strength and weakness within individuals or a full class.

End of Year 1/ Beginning of Year 2 Maths Full Curriculum

National Curriculum assessment usually refers to the statutory assessments carried out in primary schools in England, colloquially known as standard attainment tests (SATs). The assessments are made up of a combination of testing and teacher assessment judgements, and are used in all government-funded primary schools in England to assess the attainment of pupils against the programmes of study ...

National Curriculum assessment - Wikipedia

One of the three aims of the new curriculum states that pupils (of all ages, not just primary children) will: become fluent in the fundamentals of mathematics, including through varied and frequent practice with increasingly complex problems over time, so that pupils develop conceptual understanding and the ability to recall and apply knowledge rapidly and accurately.

Although both Scotland and England are part of the UK, Scotland has its own distinct judicial system and its own jurisdiction. Rather than being solely a Common Law system, Scottish law is a mixed system, and it is important to be aware of the differences, especially if you plan to study law in a Scottish institution.
