Many adults in Central and Eastern Europe hold traditional viewpoints on social issues. Majorities oppose same-sex marriage and say homosexuality should not be accepted by society. And while abortion is legal in nearly every country included in the survey (Poland is an exception), public opinion about whether abortion should be legal is mixed, with women and men about equally supportive of ...

Virtue ethics is currently one of three major approaches in normative ethics. It may, initially, be identified as the one that emphasizes the virtues, or moral character, in contrast to the approach that emphasizes duties or rules (deontology) or that emphasizes the consequences of actions (consequentialism).

LIKE most of my generation, I was brought up on the saying "Satan finds some mischief still for idle hands to do." Being a highly virtuous child, I believed all that I was told and acquired a conscience which has kept me working hard down to the present moment. But although my conscience has controlled my actions, my opinions have undergone a revolution.
