## **The Book - PEAK**

Given Anders Ericsson's background and his pioneer status when it comes to human performance, it'd be foolish to skip Peak for other books about the subject. Peak: Secrets from the New Science of Expertise should be your number one, go-to book about deliberate practice.

## **Peak Summary - Four Minute Books**

When I have taught peak performance, this book has been foundational in my attempt to help individuals reach their goals. The primary reason is the experience that Dr. Garfield had working with world class athletes. A graph in this book was the most profound example I have ever seen regarding the power of mental exercise.
