smith, lj: nightworld 6 - soulmate It slanted diagonally beneath her left cheekbone, pale strawberry color, as if someone had dipped a finger in blusher and then drawn it gently across Hannah's face. It was permanent-the doctors had removed it twice with lasers, and it had come back both times. Hannah was used to the stares it got her.

Hate to be a troll, but who cares about The Vampire Diaries. I love the Night World. Just write Strange Fate already. If you have to change the original premise just do it. I don't care if she has one soul mate or 100. Get busy Ms. Smith. Some of us have been waiting 20 years and now have a terminal illness ourselves!!! Use your talents and finish this.
