Home - The ABCs of Yoga for Kids

ABC and its variations are initialism mnemonics for essential steps used by both medical professionals and lay persons (such as first aiders) when dealing with a patient. In its original form it stands for Airway, Breathing, and Circulation. The protocol was originally developed as a memory aid for rescuers performing cardiopulmonary resuscitation, and the most widely known use of the ...

As we continue working through the alphabet in our home preschool, it occurred to me that I never shared our alphabet book.. This has been such a fun way for little man to learn his letters and it is something we can hold on to and look at whenever we feel like it without a bunch of papers lying around and either getting lost or taking up a lot of space.
