### **The Digital Photography Book (Volume 1) by Scott Kelby**

#1 bestselling, award-winning book The Photoshop Book for Digital Photographers, now tackles the most important side of digital photography--how to take pro-quality shots using the same tricks today's top digital pros use (and it's easier than you'd think).

### **The Digital Photography Book: The Step-By-Step Secrets for**

digital world in which we live, photographs also need to be digital. For awhile, capturing images on film and then scanning them into a digital format was a solution. However, this process is expensive and time consuming. Digital cameras remove those impediments and capture images that are already in a universally recognizable digital format that makes them easy to display and share.
