

the national interest july pdf

The National Interest (TNI) is an American bimonthly international affairs magazine published by the Center for the National Interest. It is associated with the realist school of foreign policy thought. It was founded in 1985 by neoconservative thinker Irving Kristol and until 2001 was edited by Owen Harries. The National Interest is not restricted in content to "foreign policy" in the narrow ...

The National Interest - Wikipedia

Coordinates. National Museums Liverpool, formerly National Museums and Galleries on Merseyside, comprises several museums and art galleries in and around Liverpool, England. All the museums and galleries in the group have free admission. The museum is a non-departmental public body sponsored by the Department for Culture, Media and Sport and an exempt charity under English law.
