The five levels of NVQ are defined as having the following competencies: Level 1 “ Competence, which involves the application of knowledge and skills in the performance of a range of varied work activities most of which may be routine and predictable.

### **National Vocational Qualification - Wikipedia**

OCR Nationals are vocationally related qualifications which were officially launched by the OCR Board in September 2004. The qualifications are designed to meet the needs of those seeking vocational education in place of the traditional, theory-intensive, academic route. Although the target audience are teenagers (14-19), the qualifications are also suitable for adult learners, much like the GNVQ.
