

the private sector and pdf

Private Sector Development (PSD) is a term in the international development industry to refer to a range of strategies for promoting economic growth and reducing poverty in developing countries by building private enterprises. This could be through working with firms directly, with membership organisations to represent them, or through a range of areas of policy and regulation to promote ...

Private sector development - Wikipedia

The private sector banks in India are banks where the majority of the shares or equity are not held by the government but by private share holders.. In 1969 all major banks were nationalised by the Indian government. However, since a change in government policy in the 1990s, old and new private sector banks have re-emerged.
