The doctrine of transubstantiation is the result of a theological dispute started in the 11th century, when Berengar of Tours denied that any material change in the elements was needed to explain the Eucharistic Presence, thereby provoking a considerable stir. Berengar's position was never diametrically opposed to that of his critics, and he was probably never excommunicated, but the ...

Ash hi, yes absolutely, WA teaches FAR more than affiliate marketing. It's just that for most people starting out, this is the go to option since most people don't really own products they can sell, but in your case, you can absolutely advertise your own products or other services if you'd like and WA will show you ways you can do this.

Virtue ethics is currently one of three major approaches in normative ethics. It may, initially, be identified as the one that emphasizes the virtues, or moral character, in contrast to the approach that emphasizes duties or rules (deontology) or that emphasizes the consequences of actions (consequentialism).
