In evaluating this dilemma of the revolutionary process, Achcar turns to Lenin's well-known writings on the conditions for revolution. Few could disagree that 2011 confronted the MENA region with a revolutionary situation of the type Lenin described: the ruling class can't rule in the old way, and the masses, who refuse to be ruled in the old way, take mass action.

This covers not just the weakness of the ancien régime in resisting the forces of revolution, but also that of the revolutionary forces in determining the optimal machinery of government for the post-revolutionary state. This latter weakness can produce undesirable institutional legacies requiring decades to be dismantled.
