Actually 'you set the table' is an expression that is also used in graphic/computer context. That's why I used set/lay the table for lunch. " user66974 Mar 16 '15 at 15:34 @Josh61: Apparently you could set the table with something of that sense a century ago, but it's worth noting the writer there used "scare quotes", suggesting it was an unusual and/or new usage at the time.

### **american english - Set the table, or lay the table**

A main motion that has been laid on the table may be taken up again by adoption of a motion to take from the table. A motion can be taken from the table at the same session (or meeting) or at the next session (or

meeting) if that session occurs within a quarterly time interval. Otherwise, the motion dies.
